Saurabh Nawale is a dynamic wicket-keeper batter and handy off-spinner, currently starring for the Maharashtra State team in Indian domestic cricket.

Since making his first-class debut in December 2022, Nawale has made a strong impression, playing alongside top talents like Ruturaj Gaikwad, Kedar Jadhav, and Rahul Tripathi. He was fast-tracked from Premier club cricket after dominating for Chatrapati Sambhaji Kings in the Maharashtra Premier League.

He made headlines early, scoring 72 against Saurashtra in just his second first-class game, followed by 70 against Andhra, and gritty knocks of 58 and 47 against Mumbai. His breakout season came in 2024/25, racking up 358 runs at 59.66, including scores of 83 and an unbeaten 126* against Baroda.

Equally comfortable with the gloves or contributing as a batter who bowls off-spin, Nawale is a versatile and high-impact cricketer—an exciting overseas prospect for club cricket in 2026.
