Hafiz Muhammad Suleman is an experienced left-arm spinner with extensive involvement across Pakistan's domestic circuit.

With over 10 years of First-Class experience, the left-arm tweaker brings a wealth of skill, tactical awareness, and resilience to his craft. He made his First-Class debut in 2013 and was part of the Lahore (formerly Lahore Ravi) setup until 2015.

Following that period, Suleman spent time outside the First-Class structure, continuing to hone his skills in Pakistan Grade Two cricket, where he consistently dominated and remained committed to his development. His perseverance was rewarded with selection for Sahir Associates ahead of the 2025/26 season, a true testament to his character, determination, and refusal to give up on his professional ambitions.

He has since established himself as a key member of Sahir Associates' bowling attack and is focused on delivering strong performances at the highest domestic level for many years to come.

Suleman has also gained overseas experience in Australia, where he spent time in Sydney and played several matches for NSW Premier Cricket side Blacktown Mounties. Due to the club already securing their overseas professional for the season, he was initially listed in Third Grade, but his performances quickly impressed across the club. As a result, Blacktown Mounties were keen to retain Hafiz for future seasons in their First Grade setup. However, he returned to

Pakistan to continue his First-Class career.

Now seeking the opportunity to experience cricket in the UK, Hafiz comes highly recommended by Pakistan Test spinner Noman Ali. He would be an excellent addition for any club looking to strengthen their bowling attack with an experienced and reliable slow left-arm orthodox spinner.

Importantly, accommodation is already secured in Leamington Spa (CV12), making Hafiz a particularly attractive option for clubs that may struggle to provide housing for an overseas player.

Please Note: Mohammed requires one additional First-Class match to meet UK eligibility criteria for the 2026 season. This fixture is scheduled to be completed from 2 February, when Sahir Associates face Pakistan Television in the President's Trophy.
