Following impressive performances for Yorkshire County Cricket Club, Mohammad caught the attention of Worcestershire County Cricket Club and was subsequently added to the County's Academy for the 2026 season. He has continued to impress at age-group level and is currently the leading wicket-taker with 33 wickets at an average of 19.64, putting himself firmly in contention for higher honours over the next 12 months.

A skilful left-arm spinner, Mohammad prides himself on his control, consistency, and ability to take wickets through the middle overs. His performances have earned strong recognition from county coaches, and with plenty of development still ahead of him, he is an exciting prospect looking to take the next step towards senior county cricket.

At club level, Mohammad represents his home club, Kirkstall Educational Cricket Club, in the Airedale & Wharfedale Senior Cricket League. Despite being just 18 years old, he has already accumulated an outstanding 120+ First XI wickets at an average of 27.41, demonstrating his ability to consistently perform and take wickets against experienced senior opposition.

While his bowling remains his primary strength, Mohammad also provides valuable resistance with the bat in the lower order, adding further depth and balance to a side as a developing bowling all-rounder.

Now eager to accelerate his development, Mohammad is seeking his first overseas season in the Southern Hemisphere, where he hopes to experience different conditions, further develop his craft, and prove to be an exciting addition to any club seeking a proven wicket-taking option for the 2026/27 season.
