Nabil Samad is a high-quality left-arm spinner with an outstanding professional record.

The Bangladeshi bowler is widely regarded as one of the finest spinners in his country and is perhaps unfortunate never to have represented Bangladesh at senior international level. His career statistics are impressive: at the time of writing, Nabil has taken well over 600 professional wickets, including 21 five-wicket hauls across all formats. In red-ball cricket alone, he has claimed 378 wickets, with 18 five wicket hauls to his name.

Renowned for his consistency, Nabil's greatest strengths lie in his exceptional control of line and length, which is reflected in his excellent economy rates in all formats of the game. A former Bangladesh 'A' and Under-19 international, he may not be widely known for his batting at domestic level, but a career-best score of 40* suggests he is more than capable of contributing valuable runs down the order in club cricket.

Showing no signs of slowing down, Nabil continues to deliver high-quality performances for Sylhet Division in first-class cricket. He has now set his sights on the UK summer, where he is keen not only to showcase his top-class left-arm spin but also to share his extensive experience and knowledge with the next generation of cricketers at his chosen club. He is looking to develop as a coach whilst overseas and will add value in this regard.

For any club seeking a proven, high-class left-arm spinner with the ability to take a sackful of wickets this summer, Nabil Samad could be the perfect fit.
