Razaullah is an exciting seam-bowling all-rounder who is rapidly making a name for himself in Pakistan's first-class cricket.

A genuine fast bowler with the ability to swing the ball at pace, Razaullah is also a highly capable batsman who can contribute anywhere in the order. He made his debut for Peshawar Region alongside Pakistan internationals Sajid Khan and Iftikhar Ahmed, and wasted no time in making an impression. In just his third match, he scored an unbeaten 57, before producing a remarkable second-innings century as an opening batsman while following on against Islamabad.

With the ball, Razaullah has been equally impactful. Opening the bowling, he has claimed five-wicket hauls in each of his last two matches, including outstanding figures of 5/37 for Sahir Associates vs Oil & Gas Development Company Limited and 5/88 against State Bank of Pakistan.

His skillset suggests a player ideally suited to succeed as an overseas professional. Quick, skilful, and able to extract movement in the air and off the seam, he would be a real handful in UK conditions. With the bat, he is naturally aggressive and possesses the power to change the course of a game in a short space of time.

Razaullah also benefits from being able to source accommodation in multiple areas of the UK, making him an attractive option for clubs that may struggle to provide their own.

We are extremely excited about the impact Razaullah could have on the UK club cricket scene this coming season and believe he could prove to be a standout signing for any club seeking a seam-bowling all-rounder with real match winning potential.
