Isaac Brooks (19) is an exciting young left-arm spinner from Cheshire, England.

A product of the Cheshire pathway, Isaac is a talented youngster on the radar of counties since a young age after representing North Of England back in 2020. Making his debut for current club Sale in the Cheshire Premier League, it was back in 2017 when Isaac at just 13 year old he was introduced to senior first-team cricket.

After successfully negotiating his early years of top-level senior cricket, Isaac claimed 25 wickets at an average of 26.12. After a profitable season, Brooks decided to relocate to fellow Cheshire Premier side Bowden ahead of the 2022 season. He went on to claim 28 wickets from 240 overs, boasting an economy of 3.88 for the year.

Ahead of the 2023 season, Isaac is returning to his junior club Sale and hopes to continue the good work he has put in over recent seasons for the club. At the conclusion of the English summer, the left-arm tweaker is hoping to embark on a season in the Southern Hemisphere continuing to develop his all round game.

The left arm spinner is currently playing in Melbourne for Parkdale United Cricket Club in the Cricket Southern Bayside Competition and has impressed so far with 23 wickets at 11 with a best for 5-10.

The SLA is now keen to return to Australia for next season!
