Abhishek Reddy is a high quality professional cricketer with a fine record at the top level of domestic cricket in India.

A classy batter and competent off spinner, Abhishek represents a fine option for clubs seeking a player who can come and add significant value this summer. With a first class average of 31.29 and a list an average of 33.14 it is clear to see the quality of the player, especially considering the strength of domestic cricket in his home country.

Currently representing Andhra in the Ranji Trophy, he has been a consistent performer at the top of the order in a side stacked full of talent, including fellow CricX client and Indian international Srikar Bharat. He also comes recommended by KC Carriapa and Ashwin Hebbar, two CricX guys who have dominated in the UK and know what it takes to succeed as an overseas professional.

Abhishek is also a genuine and competent off spin bowler and whilst not utilised too much at the professional level, he has bowled lots of overs in state and league cricket and can fulfil an all round role as a club cricket professional and is looking forward to expanding this area of his game whilst overseas. He also has strong leadership experience after captaining his state through all junior age group levels.

A high quality performer and pleasant character, we recommend Abhishek strongly for any club seeking a player of his skillset.

Abhishek is now set to head to the UK for the first time after signing with Wem Cricket Club for their Shropshire County Cricket Premier League campaign.
