Aditya Tare is an accomplished wicket-keeper batter (and former skipper) of Indian powerhouse Mumbai in Ranji Trophy cricket. A Mumbai stalwart, Tare has spent his entire career with the State and has played alongside some of the biggest names in the game.

Since his domestic debut in 2008, Tare has played over 250 matches across the 3 formats, including 9 seasons in the IPL (Delhi Daredevils, Sunrisers, and Mumbai Indians). He boasts an impressive record, compiling well over 8,000 runs with 10 centuries and a highest score of 222. During his career, Tare has been on the national radar, featuring for West Zone and India A on several occasions.

The keeper/batter has been a stand-out and incredibly reliable performer in all forms of cricket. With the exception of the 2017/18 summer (237 runs at 23.70), Tare hasn't averaged less than 33 in a Ranji Trophy season, regularly scoring upwards of 600 runs. His best season came in 2012/13, the season he notched up his career-best double century (222) en-route to 859 runs at 45.21.

In white-ball cricket, he has become a star performer for Mumbai. In 2019/20 he belted 413 runs at 68.83 in the Vijay Hazare Trophy (List A), but this was a prelude to what followed last summer. The gloveman was in sensational form, guiding his side to one-day glory, striking a match-winning century (118*) amongst 299 tournament runs at 74.75.

The talented wicket-keeper batter initially announced himself on the Indian scene in 2010, when he was picked up at

auction by IPL franchise Mumbai Indians. He was a part of the squad during MI's title-winning campaigns in 2013 and 2015 - though the presence of Parthiv Patel in the squad often denied him a place in the XI in 2015 - and famously smashed a six off Australian all-rounder James Faulkner to take the side past Rajasthan Royals into the playoffs on net run rate in 2015. In the 2016 auction, Tare was bought by Sunrisers Hyderabad for Rs 1.2 crore.

On the first-class front, Tare, a permanent fixture in Mumbai's domestic side, took over the captaincy of the Ranji Trophy team from Suryakumar Yadav in 2015 and continues to lead from the front, across all formats. During the most recent Ranji season (2019/20), he enjoyed another strong summer, to include another first-class Ranji century (154 v Tamil Nadu), following his strong white-ball campaigns (List A - 413 runs at 68.83; T20 - 355 runs at 39.44).

Tare is a high-class cricketer who is now eager to spend a season playing cricket abroad in 2022.
