Aqib Khan is a high-quality seamer who regularly takes the new ball on Pakistan's domestic circuit for Abbottabad Region and Water and Power Development Authority. He has enjoyed a sensational start to his First-Class career, claiming 40 wickets in just eight matches at an outstanding average of 18.32, including best match figures of 9/77.

Renowned for his control with the new ball, Khan possesses the ability to swing it both ways. His discipline and consistency have been key factors in his remarkable record of taking wickets in every innings of his professional career to date.

During his formative years, Aqib represented Pakistan U17 and Pakistan U19, and he has continued to make strong strides since, persistently impressing across the domestic circuit.

Khan comes highly recommended by trusted sources, including current CricX client Khalid Usman, who believes Aqib has the skill set to dominate with the ball in hand, particularly in English conditions. He has shown this in abundance after signing with Woking & Horsell CC, he has proved himself to be one of the leading seam bowling professionals in the country with a fantastic return (77 wickets @ 13.62) with a handful of games left to play.

For clubs seeking a high-quality seamer to lead their attack next summer, Aqib Khan stands out as an exceptional candidate for the role.
