Aridul Islam Akash is a talented Bangladeshi slow left-arm spinner whose cricketing journey began at the age of 12. From the moment he picked up a ball, cricket became more than just a game – it became a lifelong passion. Starting out at a local academy, Aridul's dedication and natural ability quickly saw him rise through the ranks. By 2019, he had broken into club cricket and, after becoming the highest wicket-taker in Bangladesh's First Division League, he earned a deserved call-up to the Premier League within just two years.

His rapid rise didn't stop there. Aridul was selected for the BCB XI to play against Ireland, marking his first taste of international competition – a proud milestone in his young career. He has now been a regular feature in Bangladesh's domestic scene, particularly in first-class and List A cricket.

To date, Aridul has played, 5 First-Class matches, taking 8 wickets at an average of 30.62, and 15 List A matches, claiming 20 wickets at an impressive average of 21.90.

These figures reflect his growing consistency and impact with the ball. A hardworking, mentally tough cricketer, Aridul credits the game with teaching him resilience and how to stay grounded, no matter the challenges.

Now firmly established in Bangladesh's domestic circuit, his ambition is clear: to one day represent his country at the highest level. In pursuit of that dream, Aridul is eager to expand his horizons and test himself in different conditions. With that goal in mind, he is actively seeking a UK club cricket opportunity for the 2026 season.

With his strong domestic track record, ambition to improve, and positive mindset, Aridul Islam Akash would be a valuable addition to any UK club looking for a committed and skilled overseas professional.
