Aryan Jain is a former professional cricketer from Queensland, Australia.

A left-handed top-order batter, Aryan signed his first full-time professional contract at the beginning of the 2023/24 season. Previously a member of the Queensland Bull squad, the 27-year-old made his First-Class debut against New South Wales in a Sheffield Shield fixture back in February 2023.

Since 2019, the Aussie has been a regular feature in the Queensland 2nd XI, averaging just a touch under 50 and chalking up 10 half-centuries and 2 hundreds. The attractive left-handed stroke player is widely known for notching up a ton in each innings of a 2nd XI fixture back in November 2021.

Jain also has previous experience playing cricket overseas. After studying at the University of London, he turned out for the Universities 1st XI 16 times between the period of 2017-2019. During his time in the UK, Aryan played club cricket for Bexley in the Kent Cricket League - Premier Division, racking up over 1400 runs in 40 matches.

Now seeking a return to the Northern Hemisphere, Aryan is restricted from playing in the UK due to his 2 First-Class appearances in the last 24 months. Looking to play in The Republic Of Ireland, the Queensland star is available for the majority of the 2025 season, and is certainly an individual who we expect to see big things from. \*CA Level One
