Asad Raza is a high-quality fast-medium seamer currently playing professional cricket for Eshaal in Pakistan. He is a genuinely exciting prospect, especially suited to the conditions in the UK.

From the moment he crossed our radar, there was a strong feeling that Asad's skill set and all-action style would make him a formidable bowler in English conditions. His ability to swing the ball late at a good pace, combined with relentless effort, sets him apart as a player to watch. Video footage confirms that he would be a real handful on UK pitches.

Asad made his professional debut in 2017 and made an immediate impact on first-class debut for Faisalabad, taking 3/52 with the new ball against Sui Northern Gas Pipelines Limited. Since then, he has taken 49 wickets in just 16 first-class matches, demonstrating his effectiveness and consistency with the red ball.

Used to bowling on often tough, unresponsive surfaces in Pakistan, Asad has developed excellent endurance and fitness, frequently required to bowl long spells with minimal assistance from the pitch. His honed skill to move the ball late in the air, combined with the likely greater assistance from English wickets, makes him a dangerous prospect for UK batsmen.

Additionally, Asad has accommodation available in Bedfordshire (Luton area), though he is open to opportunities across the UK.

Seeking his maiden overseas professional season, Asad Raza offers clubs a genuine strike bowler who can bowl at good pace with skill, control, and stamina – a fantastic option for any team looking to bolster their attack.
