Ashwin Hebbar is a proven top-order batter with a sustained record of success in Indian domestic cricket and overseas leagues. A mainstay for Andhra since his debut in 2014-15, he has been a consistent performer across formats, with standout returns in white-ball cricket that earned him a place in the Delhi Capitals squad for the 2022 IPL.

In first-class cricket, Ashwin has compiled 1,099 runs from 34 matches at an average of 26.16, with a highest score of 109 and five scores of fifty or more. While his primary value lies with the bat, he has also contributed useful seam bowling, taking six wickets at an economy rate of just 3.17.

In List A cricket, he has established himself as one of Andhra's most reliable run-scorers. From 58 matches, he has amassed 2,019 runs at an average of 38.82, including six centuries and eight fifties, with a top score of 154. During the 2024/25 Vijay Hazare Trophy alone he scored 2 centuries amongst 423 runs at 84.60. His consistency and ability to bat deep into innings have made him a cornerstone of Andhra's one-day side, complemented by occasional breakthroughs with the ball.

In T20 cricket, Ashwin has combined power with consistency, scoring 1,803 runs from 69 matches at an average of 30.05 and a strike rate of 131.60. His record includes a century, 12 half-centuries, and a career-best 103\*, underlining his ability to dominate bowling attacks in the shortest format. He has also chipped in with seven wickets as a seam-bowling option.

His impact abroad has been equally striking. In 2018, he lit up the Northern Premier League with Penrith, amassing 1,373 runs at 72.26, including seven centuries, and adding 34 wickets with the ball. A return to the UK in 2019 saw him continue to impress with Heyside in the Greater Manchester Cricket League, before joining Royal Wootton Bassett in 2025, where he struck a club-record 184 and finished the season with 490 runs at 40.83 alongside useful wickets.

Combining class at the crease with valuable seam-bowling skills, Ashwin brings experience, adaptability, and a proven ability to deliver match-winning performances in varied conditions. Now, the former IPL man is eager to return to UK cricket in 2026 and make another lasting impact.
