Attiq Rehman (also listed as Atiq-Ur-Rehman on Cricinfo) is an accomplished top-order batting all-rounder who has begun making a strong impression in Pakistan's professional cricket. Representing Faisalabad in first-class cricket, Attiq has quickly showcased his ability to compete at a high level.

In just 7 first-class matches, Attiq has already notched 4 half-centuries, including a highest score of 94 against a formidable Lahore Whites bowling attack. His burgeoning reputation is further strengthened by his performances in List A cricket, where in only 4 games, he recorded a top score of 74 against a bowling lineup boasting international-quality players such as Sohail Khan, Mir Hamza, and Danish Aziz.

Attiq is more than just a batsman; he is a competent off-spinner whose bowling has been trusted at the professional level. His maiden wicket — that of Pakistan international Asad Shafiq — speaks volumes about his potential to impact matches with the ball as well.

Recommended by seasoned UK professional Khalid Usman as an ideal overseas signing, Attiq is hungry to continue his rise and eager to embrace the challenge of English conditions. After years of dedicated hard work as an amateur, he now seeks his maiden professional club cricket contract abroad. His positive attitude, combined with a strong work ethic, makes him a perfect candidate for clubs seeking a dependable top-order batter who can contribute valuable overs with off-spin.

Key Attributes:

Top-order batter with a proven ability to build innings and perform under pressure
Off-spin bowler with match-winning potential and experience against international batsmen
Hardworking, hungry, and professional mindset ideal for club environments
Eager to adapt and grow in new conditions with the opportunity to further develop skills

Any club looking for a committed batting all-rounder with a bright future would do well to secure Attiq Rehman for their 2026 season.
