Attiqu Rehman (Atiq-Ur-Rehman on cricinfo) is an accomplished batting all rounder who has started to make his mark on the professional game.

A top order bat and competent off spinner, Attiqu is currently representing Faisalabad in first class cricket and has made a bright start to his career at the top level. At the time of writing, he has notched x4 half centuries from just 7 games and has a high score of 94 which was made against a strong Lahore Whites attack. He has currently played 4 List A games with a top score of 74, made against an attack full of international pedigree (Sohail Khan, Mir Hamza, Danish Aziz etc). This highlights the quality which Attiqu possesses and we envisage he is going to go from strength to strength in the coming years.

Attiqu comes recommended by seasoned UK professional Khalid Usman as someone who would be an excellent overseas professional, he is hungry to showcase his talents in the UK and experience new conditions. After years of toil and hard work as an amateur, he also has a desire to continue to grab opportunities which come his way, in the same way he has since making his professional debut. His bowling is not to be underestimated either, it has already been utilised at professional level and his solitary wicket so far was the prize scalp of Pakistan international Asad Shafiq. He would like to utilise his off spin as much as possible during his club cricket stint.

Seeking his maiden professional club cricket placement, Attiqu would be a strong choice for any club looking for a top order batter/off spinner with a positive and hard working mentality.
