Awais Ali is an exciting young talent with the potential to go a long way in the game.

A bustling seamer, Awais has all the tools to be a force for years to come. He first became a name to lookout for after appearing for Pakistan Under 19s in 2021, starring with the ball and earning a call up to the 2022 Under 19 World Cup in the West Indies. From then on he has gone from strength to strength and made his First Class debut in 2024 for Sialkot against a strong and experienced Quetta side. He picked up 4 wickets in the match including 3/41 in the second innings, and demonstrated to everyone the talent he posesses.

He is tipped to be a future star and has all the tools to be a successful overseas professional in the UK, with impressive video footage to demonstrate the point. His mix of good pace and late movement make him an extremely tricky customer and it is envisaged he would be a big hit overseas.

Awais also has ambitions of becoming an all rounder, he has power and can be a destructive force with bat in hand, he is keen to keep improving this side of his game as his career gathers pace.

A young and highly promising talent, we recommend Awais highly for any club seeking a genuine strike bowler for the coming season. One to keep an eye on for sure.
