Despite being just 23 years old, Ayush has already amassed more than 47 T20 International appearances and 17 List A matches, establishing himself as one of the brightest pace prospects in Associate cricket. His international experience includes competing against some of the world's leading nations, with standout performances against India national cricket team and Afghanistan national cricket team during the Asia Cup, while he also produced an outstanding 4-wicket haul against Pakistan national cricket team in a T20 International.

Ayush also holds a remarkable place in the record books, becoming the first player in international cricket to bowl four consecutive maiden overs in a T20 International, a testament to his exceptional accuracy, control, and ability to build relentless pressure with the new ball.

The 2026 season marked Ayush's first experience of club cricket in England, joining Harold Wood Cricket Club in the Second Division of the Essex Cricket League. He has adapted superbly to English conditions, claiming 47 wickets at an average of just 16.43 by the end of August, further demonstrating his quality and consistency.

An added bonus for prospective clubs is that Ayush already has accommodation arranged in London (N1C), making him an attractive option for clubs that may face accommodation challenges when recruiting overseas players. While based

in London, he is open to opportunities throughout the United Kingdom.

Away from his performances on the field, Ayush is a passionate and dedicated professional who brings an outstanding work ethic and international mindset. He is eager to contribute beyond match days by mentoring younger players, sharing his experiences from the international game, and helping to develop cricketers throughout his chosen club.

A genuine new-ball seamer with proven international pedigree, elite-level experience, and an exceptional record in English conditions, Ayush represents a rare opportunity for clubs seeking a high-impact overseas player. His pace, professionalism, leadership qualities, and international experience would make him an outstanding addition to any club looking to strengthen its squad for the 2027 season.
