Beloved Biza is one of the most exciting young talents to emerge from Zimbabwean cricket in recent years. A dynamic opening batter, and off spin bowling all-rounder, Biza represents Zimbabwe Women at international level while also featuring for the Zimbabwe Under-19 national team, the Eagles Franchise side, and Gladiators Cricket Club. Her rapid rise has marked her out as a player of exceptional promise and maturity beyond her years.

In 2024, Beloved made history by becoming the youngest player to debut for Zimbabwe Women in international cricket, earning her first cap at just 15 years and 28 days. Her debut season immediately placed her among elite company, recording the 20th best bowling figures in an innings on ODI debut and becoming the 22nd youngest player ever to play a Women's ODI.

Equally impactful with bat and ball, Biza has shown remarkable consistency at the top of the order. In T20 cricket, she has built a reputation for resilience and composure, ranking 24th for most consecutive innings without a duck early in her career. At Under-19 level, she announced herself emphatically by scoring four consecutive half-centuries, underlining her ability to dominate attacks across formats.

Her standout moment came during the ICC Under-19 Women's T20 World Cup Qualifiers, where Beloved delivered a true all-round masterclass. She finished the tournament as Zimbabwe's Player of the Tournament, scoring 156 runs and claiming 11 wickets, playing a central role in Zimbabwe's qualification campaign and confirming her status as one of the competition's premier performers.

Beloved's journey to the international stage has not been without challenges. Initially discouraged by her father, who was skeptical of cricket as a career path, she remained steadfast in her pursuit of the game. Her determination eventually won over her family, and during an emotional address at Herentals Chitungwiza Campus, her father, Richman Biza, publicly acknowledged her perseverance and credited her strong will for transforming him into her biggest supporter.

A student at Herentals Chitungwiza Campus, Beloved's excellence has extended beyond the field. She was awarded a scholarship in recognition of her outstanding performances, particularly following Zimbabwe U19's dominant 6-0 series victory over Namibia, where she scored three half-centuries and earned both Best Batter and Player of the Tournament honors.

In recognition of her achievements and impact, a Cricket Academy was inaugurated at Herentals Chitungwiza Campus, aimed at inspiring young cricketers from similar backgrounds. Off the field, Beloved aspires to become a successful businesswoman and is deeply committed to serving as a role model for young girls, proving that dedication and belief can overcome even the strongest resistance.

Still in the early stages of her international career, Beloved Biza has already demonstrated the temperament, skill, and resilience required at the highest level. With strong all-round statistics across ODIs, T20Is, List A, and domestic T20 cricket, her trajectory suggests a future cornerstone of Zimbabwe Women's cricket.

Beloved Biza's story is not just one of talent, but of perseverance, courage, and unwavering self-belief — qualities that continue to define her rise and promise an exciting future ahead.
