Currently serving as Vice-Captain and opening batter for Ramsey Cricket Club, Ben is renowned for his ability to dominate attacks, construct long innings, and adapt seamlessly to the demands of any match situation. Whether facing the new ball against quality seam bowling, rebuilding an innings under pressure, or accelerating the scoring rate, he possesses the temperament, technique, and cricketing intelligence to consistently perform at a high level.

A former Stamford School First XI Captain, Ben combines strong leadership qualities with a fiercely competitive mindset and a desire to continually improve. His extensive representative experience has helped shape him into a mature and dependable cricketer who leads through both his performances and professionalism.

In addition to his batting, Ben offers useful off-spin and brings exceptional energy, commitment, and enthusiasm to every side he represents.

As an overseas player, Ben offers far more than just runs. He brings proven county-level experience, leadership, professionalism, and a genuine passion for helping clubs succeed. His ability to strengthen a top order, influence matches across multiple formats, and become an integral figure within a club environment makes him an attractive prospect for ambitious clubs.

Now seeking his first overseas opportunity, Ben is eager to challenge himself in new conditions and broaden his cricketing experience.

A proven top-order performer with strong leadership credentials and county experience, Saunders would be a significant addition to any club seeking a high-quality batter for the 2026/27 season.
