Bertie Richards, a young and talented left-arm seamer from Cheshire, England.

A product of the Cheshire County Cricket Club pathway system, Richards has represented the county at every age-group level and is set to step into the U18 and U19 squads ahead of the 2026 season, continuing a steady progression through the county ranks.

At club level, the left-armer hones his craft for his home club and Cheshire League powerhouses, Bowdon Cricket Club. Bertie holds the rare distinction of having represented Bowdon at every age-group and senior level, making his First XI debut at just 16 years old and recently completing his second full season in the ECB Premier League, an impressive achievement at such a young age.

A left-arm medium-fast seamer, Richards is trusted with responsibility in the bowling attack, opening the bowling when required and operating regularly as first change. He is particularly noted for his reliability, control, and calmness under pressure, especially at the death. During the most recent First XI campaign, he claimed 17 league wickets and finished with 24 wickets across all competitions at an average of 25.33, highlighting his consistency and effectiveness at Premier League level. While his primary strength lies with the ball, Bertie is also a capable, hard-hitting lower-order batter who can add valuable runs when needed.

Now looking ahead to the next stage of his development, Richards is keen to experience a season overseas before

commencing his university studies the following year. With his left-arm angle, Premier League experience, and maturity beyond his years, he would be a strong addition for any club seeking a young overseas player who brings a genuine point of difference to their bowling attack.
