Caleb White (21), a batting all-rounder from Gloucestershire, United Kingdom.

Having progressed through both the junior and senior ranks at his home club, Kingsholm Cricket Club, Caleb has developed into a reliable top-order batter and useful off-spin bowler, capable of making valuable contributions in all facets of the game.

The 2025 season proved to be a breakthrough campaign for the young all-rounder. Caleb scored more than 600 runs at an average in the mid-thirties, including over 300 First XI runs, while also making a significant impact with the ball, claiming 19 wickets at an excellent average of 19.89 with his off-spin.

Due to circumstances away from the field, opportunities at Kingsholm became limited, prompting Caleb to make the move to Cheltenham Civil Service Cricket Club, where he now represents the club in the First Division of the Gloucestershire Cricket League. The move provides him with the opportunity to continue his development while competing at a high standard of club cricket.

A positive and committed cricketer, Caleb is always looking to improve his game and embraces new challenges that allow him to continue progressing as both a batter and an all-rounder.

Now seeking his first overseas opportunity in the Southern Hemisphere, Caleb is eager to experience cricket in

different conditions, further develop his skills, and immerse himself in his chosen club's culture both on and off the field.

A talented young batting all-rounder with plenty of potential, Caleb would be an excellent addition to any club looking to strengthen its squad for the 2026/27 season.
