Cephas Cooper is an accomplished Trinidadian opening batsman and useful right arm off spinner who has represented Trinidad & Tobago Red Force and West Indies international youth teams.

A standout product of Naparima College where he captained the team and famously scored 297 runs out of a record-breaking 506, Cooper progressed rapidly through the national pathways to represent the West Indies at the 2018 ICC Under-19 Cricket World Cup in South Africa. Since making his First Class debut in 2020, he has established himself as a technically sound, classical top order anchor capable of playing long, match building innings. His talent has also been recognised by selection for the West Indies Invitational XI against Pakistan in 2026.

With x2 First-Class centuries to his credit at the regional level, including a match winning 102 against a Barbados attack featuring the likes of Jomel Warrican, Kyle Mayers and Roston Chase, Cooper combines high tactical discipline, strong temperament, and sharp fielding, offering immediate top order quality and leadership value to any professional or club setup.

He is now seeking a stint in the UK and represents a fine option for any club looking for top order reinforcements and some handy off spin bowling. He has all the tools to be an excellent club cricket professional.
