Dan Houlton (23) is a talented bowling all-rounder from Yorkshire, England, currently playing for Attenborough Cricket Club in the Nottinghamshire Cricket League.

A right-arm seam bowler and right-handed middle-order batter, Houlton combines reliability with versatility across all formats. Formerly a member of the Nottingham Trent University 1st XI, he established himself as a key opening bowler in both indoor and outdoor cricket.

In 2024, Dan was part of the NTU Indoor 1st XI side that finished 5th nationally, demonstrating composure under pressure by striking the winning runs that secured the team's place at Finals Day. His ability to perform in high-pressure moments highlights both his temperament and competitive mindset.

In outdoor cricket, Houlton has consistently taken the new ball, building pressure through disciplined lines and lengths while regularly providing early breakthroughs. Known for bowling a heavy length and attacking the stumps, he creates opportunities not only for himself but also for those around him.

With the bat, Dan has accumulated 2,578 runs across 217 matches, with a highest score of 94*. A dependable middle-order batter, he has proven capable of absorbing pressure before accelerating when required. Over the past few seasons, he has been incredibly consistent producing the following run tallies:

414 runs in 2019 (HS 70)
377 runs in 2021 (HS 61)
511 runs in 2022 (HS 82)
435 runs in 2023 (HS 94)
311 runs in 2025 (HS 59)

Across league and cup competitions, Houlton has compiled over 2,000 league runs alongside 491 cup runs, reflecting his adaptability and consistency in varying conditions and formats. He has been a significant contributor for Adel CC 2nd XI and 3rd XI, while more recently adding value with Attenborough CC.

With the ball, Dan has delivered 879.5 overs and claimed 161 wickets, including outstanding career-best figures of 6/17 in 2024. He also finished the 2025 season as Attenborough CC 2nd XI's third-leading wicket-taker in South Nottinghamshire Division A with 16 wickets.

Now seeking an opportunity in Australia for the 2026/27 season, Dan would be an excellent addition to any club both on and off the field, bringing strong character, competitiveness, and a genuine team-first attitude.
