Emily Kibble (22) is a talented and dedicated opening batter from Gloucestershire, England.

Starting her cricketing career at a young age, Emily represented Gloucestershire County Cricket Club throughout the age group pathway. Starting at age 11, Emily was part of the Gloucestershire set up all the way through to under 18 level. Since leaving her home County, the 22-year-old is now a member of the Worcestershire Rapids squad.

Seeking new challenges and opportunities, Emily relocated to Worcester back in 2021, pursuing a degree in International Sports Management where she completed her Masters. In Club Cricket, Kibbles contributions have been invaluable to her club, Huntley CC Women's 1st XI, where she has amassed 400 runs, including three fifties, over 12 games.

Her consistent performances have also shone through in the Cinderford St Johns Men's 2nd XI, where she has been awarded Batter of the Year for the past three seasons. Also boasting an ECB Level 1 qualification, Emily is qualified to coach the national programs All Stars and Dynamos Cricket, demonstrating her commitment to developing the next generation of cricketers.

With her studies set to conclude this summer, Emily is eager to further refine her skills and embrace new challenges in either Australia or New Zealand this winter. There is no doubt that Emily will be a valuable asset both on and off the pitch for any club she joins.
