Ethan Ramsey, a talented young all-rounder from Berkshire, England.

A product of the Hampshire County Cricket Club Pathway, Ramsey has been involved with the County since the U11 age group and is now a fully-fledged member of the Hampshire Academy for 2025. His development has also earned him international recognition, having competed for Scotland U19s in a Tri-Series against England and Ireland in 2024. He has since been selected for the Scotland U19 squad for the 2025 ICC World Cup Qualifiers set to take place in August.

Academically and athletically accomplished, Ethan attends the prestigious Bradfield College in Berkshire, where he has captained the 1st XI for the past three years. He has consistently been the leading run scorer and wicket taker at school level, showcasing his all-round abilities and leadership qualities.

Due to academic commitments, his club cricket has been somewhat limited, but he continues to hone his skills for Hartley Wintney Cricket Club in Division Two of the Cricket Southern Premier League. A key figure for the club, Ethan regularly opens both the batting and bowling in the First XI.

With his sights firmly set on higher honours and continued personal growth, Ethan is now looking to take his game abroad. Eager to test himself in foreign conditions, he is seeking an opportunity to play in the Southern Hemisphere for the 2025/26 season.

A driven and highly skilled cricketer, Ramsey would be an exciting addition for any club seeking a genuine, self-motivated young all-rounder ready to contribute on and off the field.
