Freddie Newton is a talented young batting all-rounder from Carlisle, Cumbria.

A product of the Cumbria County Cricket Club pathway system, Freddie has been a key figure throughout the county age groups, consistently showcasing his ability as a top-order batter.

A natural run-scorer, Newton enjoyed a breakthrough 2025 season, compiling over 850 runs at an outstanding average of 61.00 across all competitions for Carlisle Cricket Club, competing within the Northern Pyramid structure. He was particularly influential for the Club's Second XI, amassing 652 runs at 65.20, including eight half-centuries, underlining both his consistency and appetite for big scores.

When not leading the charge with the bat, Freddie is regarded as one of the stronger fielders on the circuit. He also offers useful off-spin, adding depth and flexibility to any bowling attack.

Looking ahead to the 2026 season, Freddie is determined to build on last year's success with another prolific summer and break into Carlisle's First XI to test himself at Premier League level.

A composed and high-performing batting all-rounder, Freddie Newton would be a valuable addition to any club seeking quality and consistency for the 2026/27 season.
