George Unwin, an aggressive and explosive bowling all-rounder from Nottinghamshire, England.

The right-arm medium fast bowler has excelled with the ball in hand over the past season with 2024 being a standout by claiming 54 wickets at an average of 12.44. With the bat in hand, the middle order bat can contribute to some valuable middle order runs with this explosive and aggressive style putting the pressure back on the opposition from ball one.

Now ready to embark on his maiden season in the southern hemisphere, Unwin feels as though he is at the right stage in his cricketing journey to experience overseas conditions and put his skills to the test.

No doubt a handy signing for any club wanting to bring in a proven bowling all-rounder next season.
