Renowned for his leadership, professionalism, and commitment, he has earned widespread respect within the game, qualities that have underpinned his longevity at the top level.

Now retired from professional cricket, his statistics speak volumes. In first class cricket, Thomson amassed 6,150 runs at an average of 39.93, including a highest score of 221, alongside 14 centuries and 34 half-centuries. In List A cricket, he scored 3,062 runs at 40.28, with a top score of 153* and a further 3 centuries and 22 fifties. In T20 cricket, he contributed 1,454 runs at an average of 26.92, including six half centuries.

A genuine all rounder, Thomson also made a significant impact with the ball. Originally a seam bowler before later transitioning to off-spin, he claimed 252 professional wickets across formats. His first-class best of 6/46 and six five-wicket hauls highlight his effectiveness. Known for his all action approach, he consistently took on the toughest overs and delivered when his team needed him most.

These attributes naturally led to leadership roles, including captaining the South African powerhouse Titans, where he further demonstrated his cricketing intelligence and ability to inspire those around him.

A highly respected cricketer and an outstanding individual, Grant Thomson represents an exceptional option for clubs seeking experience, leadership, and proven performance for the upcoming season.

He has now joined up with Penzance CC for the 2026 season.
