Gulfam Aziz is a tall, aggressive seamer currently playing first class cricket in Pakistan.

Representing Bahawalpur Region, the quick has enjoyed a fine first class career to date, with 35 wickets in just 13 matches at the time of writing with a career best of 6/55, taken on a spectacular debut against Azad Jammu & Kashmir.

Sometimes, you can just get a feeling that a player has the skill set to do well UK conditions, and with Gulfam, that is certainly the case. He uses his tall frame to generate pace and bounce, but as you can tell from his video footage, he has the ability to move the ball dangerously late, both in the air and off the seam and it is for these reasons we feel he will excel as a UK club cricket professional.

Gulfam also comes highly recommended by several fellow CricX clients as someone who has all the tools to succeed in the UK. He has a strong work ethic and is very keen to showcase his skills this coming summer.

For any club looking for a spearhead to their attack, with pace and a skillset perfectly suited to the UK, Gulfam would be an excellent pick.
