Harry Warwick (30), a prolific top-order batsman from Lincolnshire, England.

Warwick, a proven and dominant top-order batsman, has been a standout performer in Premier League cricket for over a decade. Representing Cleethorpes Cricket Club in the Yorkshire Cricket Southern Premier League, Warwick has consistently delivered with the bat, culminating in an exceptional 2024 season where he scored just shy of 800 runs at an impressive average of 41, including two centuries. His contributions were pivotal in leading Cleethorpes to their first Premier League title in over 20 years.

Recognised for his talent, Warwick was invited to join Lincolnshire County Cricket Club, but work commitments prevented him from pursuing a county career. Nevertheless, his passion and commitment to Premier League cricket have seen him excel year after year, becoming a vital figure for his club.

Now, Harry is eager to test himself in a new environment and take on the challenges of cricket Down Under. His wealth of experience, combined with his consistent run-scoring ability, makes him a prized asset for any team.

Traveling with his partner, Harry will require suitable accommodation for two but promises to bring immense value to his new club both on and off the field. With a proven track record of success and an unwavering commitment to excellence, Warwick is sure to be in high demand.
