Himanshu Mantri is a prolific opening batter making a serious impression on the Indian domestic circuit, representing Madhya Pradesh with distinction across formats. A stylish left-hander with sound technique and a hunger for runs, Mantri has emerged as a consistent top-order force since making his Ranji Trophy debut in the 2019/20 season.

In the longer format, he has accumulated close to 2,500 runs at an impressive average of 38.85—anchoring innings and building match-defining knocks with poise and patience. Even more striking is his List A record, where he averages 65, underlining his adaptability and temperament in the shorter format. Since 2022, Mantri has raised the bat for seven domestic centuries, including six in the Ranji Trophy and a commanding ton in the Vijay Hazare Trophy.

His performances haven't gone unnoticed. Regularly lining up alongside Test and IPL stars, Mantri has earned selection for three Duleep Trophy appearances with Central Zone—an endorsement of his growing reputation in elite Indian domestic cricket.

Mantri also made a mark abroad during his maiden UK stint in 2023, signing with Stockton Cricket Club in the competitive North Yorkshire and South Durham Premier League. He enjoyed an excellent season, tallying 606 runs at 43.29, including a memorable 104 (run-a-ball) on debut against Darlington—a clear sign of his ability to adapt and deliver in unfamiliar conditions.

Off the field, Mantri is as valuable as he is on it. A Level 2 accredited coach, fluent in English and passionate about

mentoring, he brings a wealth of knowledge and energy to any club environment. His experience working with younger players, combined with his professional playing pedigree, makes him ideally suited for a Player/Coach role.

A consummate professional with the game to dominate and the character to inspire, Himanshu Mantri is a top-drawer option for any UK club seeking a high-class batter and mentor in 2026.
