Iftekhhar Sajjad is an experienced spin bowling all rounder with an excellent professional record in Bangladesh.

A quality off spinner and reliable middle/lower order batter, Iftekhhar has become one of his country's most consistent domestic performers over the last few years. At the time of writing, he has snared 134 professional wickets and has taken x6 five wicket hauls with a best of 8/112 in first class cricket. He has played for some of the premium teams in Bangladesh and has rubbed shoulders with some of his countries best players over the years.

Iftekhhar is known as a dependable bowler who has excellent control with the ability to spin the ball sharply. He has also been utilised with the new ball at times, such is the trust in his skill, accuracy and mindset. He is by no means a one trick pony however and is a solid contributor with bat in hand at professional level. He has a best 126* in first class cricket, evidence that he would be more than capable of being a top all rounder in club cricket as an overseas professional. He also has strong leadership qualities and is keen to use his experience to help develop the next generation of cricketers, something which would benefit any club massively next summer.

We strongly recommend Iftekhhar, he has a skill set perfect for club cricket and would add lots of value both on and off the pitch with his experience and determination to not only put in match winning performances, but help develop crickets next generation along the way.
