Nationality	New Zealander
Player Status	Available
Playing Role	Batting All-Rounder (Spin)
Batting Style	RH Opening Bat
Bowling Style	RA Off Spin
Entry Route	Irish Passport
Coaching Qualifications	NZC Level 1

Isaac Bird (24) is a dynamic batting all-rounder from Auckland, New Zealand, who holds an Irish passport. A hard-hitting right-handed batter who also bowls useful right-arm off-spin, Isaac has built a strong reputation across New Zealand, Australia and Ireland.

Developed through the highly competitive Auckland Premier Grade competition with East Coast Bays Cricket Club, Isaac played a key role in helping the club win all three major titles across two seasons. He also represented Auckland A over three seasons, making an immediate impact by scoring 68 from just 37 balls on debut.

Isaac enjoyed a standout 2025 season in Northern Ireland with Ballyspallen, producing over 1,200 runs across all competitions while also taking 41 wickets with his off-spin. His outstanding performances earned him a debut for the North West Warriors in Irish domestic cricket.

He subsequently joined Rush Cricket Club for the 2026 season in the Cricket Leinster competition, where he has continued to impress. With the season ongoing, Isaac has already scored 700+ runs in Leinster Premier cricket.

During his time in Australia with Highton Cricket Club in Geelong, Isaac produced an outstanding all-round campaign. He finished as the GCA's leading wicket-taker, averaging just 15 runs per wicket, while also ranking second for runs in the competition. He scored 600+ runs at an average of 42 in just 15 innings, including a highest score of 154.

Isaac is contracted with Sydenham-Hillside for the 2026/27 season in Melbourne's strong VTCA competition and is available for the full 2027 season in Ireland or Northern Ireland following the completion of the Australian season.

He also holds a NZC Level One Coaching qualification, adding further value to clubs looking for a high-quality overseas player who can contribute both on and off the field.
