Nationality	Australian
Player Status	Available
Playing Role	Bowler (Spin)
Batting Style	RH Lower Order Bat
Bowling Style	RA Off Spin
Entry Route	UK Ancestry Visa

Jack Roberts is a highly talented young off-spinner from Perth, Western Australia.

Currently representing Scarborough Cricket Club in WA Premier Cricket, Jack has developed into a key member of the club's First Grade attack. Despite being just 21 years of age, the off-spinner has already claimed an impressive 59 wickets at an average of 21.19, including outstanding best figures of 5/23 in Western Australia's strongest competition.

His performances are particularly impressive given the strength of Western Australian Premier Cricket, with Jack regularly testing himself against some of the state's leading cricketers. An out-and-out spinner, he prides himself on his ability to attack batters, create wicket-taking opportunities and play an important role throughout the middle overs.

Prior to establishing himself in Premier Cricket with Scarborough, Jack attended the prestigious Hale School in Perth, where he represented the School's First XI in the strong PSA competition. Across his PSA career, he claimed 42 wickets, further demonstrating the wicket-taking ability that has continued into senior cricket.

Having built an excellent foundation in Western Australia, Jack now feels ready to test himself on English soil for the first time. He is eager to experience different conditions, continue developing his craft and play a leading role within his chosen club's bowling attack throughout the 2027 campaign.

Importantly, Jack also holds a UK Ancestry Visa, further enhancing his appeal to prospective clubs ahead of the upcoming recruitment window.

A genuine wicket-taking ability as an out-and-out off-spinner, Jack represents a standout option for any club looking to add a high-quality spinner to its attack for the 2027 season. At just 21 years of age and with his best cricket still ahead of him, the talented Australian will no doubt be in high demand this off-season.
