Jamshid Zadran is an exceptional young talent rising through the Afghanistan cricket ranks, carrying the legacy of a cricketing family—his cousin Ibrahim Zadran, a former international T20 skipper, and his uncle Noor Ali Zadran, a seasoned 76-cap international. Eager to follow in their footsteps, Jamshid has already made a strong impression on the domestic and youth international stage.

A left-handed batter, Jamshid has represented Afghanistan in 13 Youth ODIs, featuring in major tournaments such as the Asia Cup, South Africa Tri-Nations, and the ICC U19 World Cup in January 2024. His leadership qualities shone through when he captained the U19 side in a World Cup warm-up match against England, and his standout moment came with a match-winning unbeaten century (106\*) against Nepal during the Asia Cup.

While still in his teens, Jamshid broke into professional cricket, debuting for the Junior Champions in Afghanistan's List A tournament in May 2023, before making his first-class debut in the Ahmad Shah Abdali 4-day Tournament in September 2024. Across five matches in that competition, he impressed with steady contributions, including a maiden fifty (60) against Mah-e-Par Stars.

As he looks to take the next step in his career, Jamshid is targeting an overseas season in England to broaden his experience. Benefiting from family accommodation in North East London (Walthamstow, E17), he comes highly recommended as an exciting prospect for the 2026 season.
