Kamil Kakar is an exceptional young fast bowling talent rising swiftly through the Afghanistan cricket ranks. A genuine quick with raw pace and potential, this teenager is widely regarded as a future star of Afghan cricket.

Remarkably, Kakar made his List A debut for Balkh at just 13 years old in August 2019. Though wicketless in his first outing (0-28 from 7 overs against Paktia Province), this early exposure at such a young age was a clear indication of the bright career that lay ahead.

The COVID-19 pandemic interrupted many sporting pathways, but Kakar returned strong to domestic cricket, making his first-class debut for Amo Region in November 2021 when he was just 15 years old. Over the following two years, he continued to develop his pace and skill, and by October 2023, still only 17, he announced himself as a key performer, claiming 15 wickets at an average of 29.33 to help Hindukush Strikers reach the final of the prestigious Ahmad Shah Abdali 4-day Tournament.

Kakar's rising profile earned him selection for Afghanistan A in May 2024, where he faced the touring Sri Lankan A side, gaining valuable experience at a higher level. Later that year, he featured for Amo Sharks in the Shpageeza T20 Tournament, and in mid-2025, he played for Pamir Legends in the Wahkhan National T20 Cup, continuing to gain exposure across formats.

Now focused on furthering his development, Kamil is eager to experience club cricket in the UK during the 2026

season. With his remarkable talent, raw pace, and impressive early career trajectory, he is a player to watch closely throughout the summer and beyond—a promising prospect destined for big things in Afghan cricket and beyond.
