Katene Dalton Clarke is a cricketer to watch, with his solid record and growth in all formats of the game.

His early debut in 2019-2020 across List A, First-Class, and T20 formats shows that he is a versatile and reliable player. With over 110 matches and just over 3000 runs, his consistency as a batter speaks volumes about his talent. His growth as a player comes as no surprise to seasoned observers who recognised his talent from an early age. He featured in x6 Under 19 World Cup games for New Zealand at the 2017/2018 World Cup, alongside household names such as Rachin Ravindra and Finn Allen. His best score of the tournament came against a strong England attack, making 60 off 69 balls.

His achievement of being named the T20 Super Smash Player of the Year alongside Tim Seifert in the 2021/2022 season further underscores his importance in the Northern Districts team. His recent performances, including the 90 in a run chase against Auckland and the only century of the competition, highlight his ability to step up when needed and handle pressure in challenging situations. Scoring 282 runs at an average of 35 this season is a solid achievement and shows he's maintaining his form.

His ambition and focus is on taking his game to the next level, especially with the upcoming debut season in the UK, could be the key to pushing on to higher honours. Playing in different conditions will only broaden his experience and could help him adapt his game for future challenges.

Katene is a versatile player and is able to bowl some handy seamers or leg spin when required, he also prides himself on his fielding and all round standards, something which will add value to his chosen club.

Clarke is on an upward trajectory and is looking forward to his European experience this summer having signed with VVV for their 2025 Hoofdklasse campaign.
