Primarily an off spinner, Dember has built a reputation for control and consistency, taking 73 wickets in 25 first class matches at an average of 27.02, including a best of 6/45 and two five-wicket hauls. A standout performance came during the 2023 West Indies Championship, where he claimed 5/26 against Barbados Pride, playing a decisive role in a memorable victory. He further underlined his progress in the 2024-25 season with career-best figures of 6/45 against the West Indies Academy.

With the bat, Dember contributes valuable lower order runs. He registered his maiden first class half century in 2024-25, scoring an unbeaten 75 to stabilise his side in a crucial match. In List A cricket, he has shown his utility in pressure situations, including a key all-round performance in the 2025 Super50 Cup where he took 3/56 and guided a tense chase to victory.

Overall, Dember is regarded as a hardworking and improving cricketer whose off spin and growing batting contributions continue to strengthen the Windward Islands setup. He is eager to keep pushing his case for higher

honours and has targeted a season in the UK to showcase his talents and continue to develop his all round game.

Denneth represents a high quality option for any club seeking a quality spinner who will weigh in with his fair share of runs.
