Khan Zaid is an exciting fast bowler who has burst on to the professional scene in Pakistan.

A genuine quick, Khan is capable of bowling at speeds in excess of 85 mph and he has made quite the impact in his debut first class season. Khan can swing the ball both ways, making him a frightening proposition in UK conditions.

His first class record is simply outstanding. In just 6 games played to date, he has taken 32 wickets at an average of 19.43. Incredibly, he has already taken x4 five wicket hauls and has a 11 wicket match haul for good measure, with figures of 6/86 and 5/58 for Sahir Associates against Ghana Glass. These numbers leap off the page and show the quality the speedster possesses.

Clearly an exceptional bowler, Khan is keen to stress his ability with the bat and backs himself to make meaningful contributions in club cricket, using his aggressive approach he is capable of hitting a long ball and could be a dangerous weapon down the order.

A very exciting cricketer and a massive talent who comes endorsed by Pakistan international Junaid Khan, we believe Khan Zaid would be a real gem for any clubs looking for a spearhead to their attack and one that will have batters leaping around the crease this coming summer. Khan has also got access to accommodation in the Bradford area should this be required.
