Kohl Eksteen, a talented right-handed batter and right-arm medium-fast bowler, Eksteen has risen quickly through the Zimbabwean system, showcasing his all-round ability and leadership at a young age.

Following a dominant spell in youth cricket, Kohl earned selection for Zimbabwe at the ICC Under-19 Cricket World Cup in 2024, where he played a key role with both bat and ball, further fuelling his hunger and ambition to represent the senior national side.

At youth international level, Kohl's performances have been consistently impressive. In Youth One Day Internationals (YODIs), he has scored 280 runs at 23.33 with a highest score of 60, alongside 18 wickets at 25.50 (best figures 3/35, economy 4.85). In Youth T20 Internationals (YT20Is), he's contributed 75 runs at 18.75 and claimed 6 wickets at 16.33 (best 2/15, economy 6.53). His balanced impact across both formats highlights his value as a genuine all-rounder.

At club level, Kohl impressed in the 2025 XPL in Pietermaritzburg, scoring 285 runs in 8 matches at an average of 40 and a strike rate of 222, while also taking 10 wickets at 14 apiece with an economy rate of 7.56, underlining his ability to influence games with both bat and ball.

Now looking to follow in the footsteps of many Zimbabwean peers, Eksteen is eager to test himself in overseas

conditions as part of his next stage of development. With his talent, temperament, and hunger to succeed, he would no doubt be an exciting addition to any club for the 2026 season.

(A player we highly recommend watching his highlight package!)
