Kranti Kumar is a high-quality genuine all-rounder currently representing Sikkim in Indian First-Class cricket.

Batting in the top order and taking the new ball, Kranti is without doubt one of the most exciting cricketers to come across our desk this winter. In just 8 First-Class matches, he has already compiled an extraordinary record: 2 centuries and 6 half-centuries, averaging a remarkable 100.00 in red-ball cricket, with a highest score of 287. These numbers underline his consistency, temperament, and appetite for big runs.

As impressive as his batting has been, Kranti is also a frontline fast seamer who bowls with real heart, effort, and intelligence. Capable of moving the ball through the air, he would be a genuine handful in UK conditions. His First-Class best of 6/86 highlights his wicket-taking ability, while his adaptability allows him to tailor his game across formats with both bat and ball.

Beyond his individual skillset, Kranti has also captained Sikkim, showcasing strong leadership qualities and a calm presence on and off the field.

With the ideal profile to thrive in UK club cricket, Kranti represents an outstanding signing for any club seeking a match-winning all-rounder capable of influencing games in multiple disciplines.

This will be his maiden UK season, and he will be travelling with his wife and young child, therefore suitable

accommodation will be required.
