Louis Strand (21), a wicket-keeper batter from Lancashire, England.

Strand is a dynamic middle-order wicket-keeper batter who represents Cherry Tree Cricket Club in the North West Cricket League. Known for his sharp glovework behind the stumps and his aggressive intent with the bat, Louis looks to apply pressure from ball one—often shifting momentum in his team’s favour.

With over 100 First XI senior appearances to his name, Louis combines youthful energy with a wealth of experience. A natural competitor, he has been a key figure for his club from a young age. In recent years, his appearances became limited due to relocating to Newcastle to pursue higher education, but he remained active in high-level cricket throughout this period.

While studying, Strand was a consistent performer for Newcastle University’s First XI, competing in both the BUCS National Championship (50-over format) and BUCS Trophy (T20). His ability to balance academic and cricketing commitments demonstrated his discipline, work ethic, and love for the game.

Now having completed his university studies, Louis is ready to fully commit to Club Cricket and take the next step in his development. Eager to test himself in overseas conditions, the Englishman is actively seeking a Club in Australia for the 2025/26 season.

A solid acquisition for any Club looking to bolster their ranks with a quality wicket-keeper batter who brings energy, experience, and a point of difference in the middle order.
