Maddie Windeatt is a highly talented top-order batter currently representing Worcestershire County Cricket Club.

Maddie progressed through the Warwickshire County Cricket Club pathway system during her junior years before making the move to Worcestershire ahead of the 2025 season – a move that has quickly proven successful. Following her performances, she earned selection in Worcestershire’s Tier 2 squad for the 2026 season, while also captaining the county’s Under-18 side.

An opening batter with a strong technical foundation, Maddie combines reliability with positive intent at the crease. She looks to put bowlers under pressure early, scoring fluently while maintaining composure and structure in her innings.

Maddie attends the prestigious Malvern College, a school renowned for its cricketing tradition. She was awarded the Rachel Heyhoe-Flint Scholarship and enjoyed a standout 2025 season, finishing top of both the run-scoring and batting average charts.

Now eager to continue challenging and developing her game, Maddie is targeting a season in the Southern Hemisphere for 2026/27, where she aims to gain valuable experience in overseas conditions.

A technically gifted and highly driven young batter, Maddie Windeatt would be a standout addition to any club looking

to strengthen their women's programme for the upcoming season.
