Mohsin Raza is an experienced cricketer and the current captain of Larkana in Pakistan domestic cricket.

A top order batter who can either keep or bowl off spin, he is very keen to secure his first contract as an overseas professional. After years of toil and plenty of runs at state level, Mohsin has this year been rewarded with inclusion in first class cricket. Being named captain of Larkana is a huge source of pride for him, especially considering the class of some of his team mates, such as Pakistan international Mohammad Nawaz and fellow CricX client Umar Waheed, to be named as captain shows his strong leadership skills.

He has had a steady start to his first class career, with a best score of 58 against Lahore Whites and is expected to start to churn out some big runs now he has established himself at this level. Seeking his first trip overseas, Mohsin would represent an excellent value pick for any club seeking an excellent batter who can either bowl off spin or keep wicket next summer. He is very keen to come to the UK and make a big impact.
