Mubasir Khan is a high quality all rounder with a special talent, and exclusive client of ours at CricX.

A genuine all rounder, Mubasir bats in the top order and bowls quality off spin and his record is an impressive one. At the time of writing he has a first class batting average of 40.98, with a top score of 170 not out. He has x4 centuries and x12 half centuries to his name in the longer format. He also has a further x3 centuries in List 'A' cricket and a further x5 half centuries, with a top score of 118 not out.

He is equally as impressive with the ball in hand, with 154 all format professional wickets, x3 first class 5 wicket hauls and a best of 6/43.

Mubasir is a serious talent and this has been recognised with a Pakistan call up in 2023, during the Asian games against Bangladesh. The match was reduced to a 5 over per side game meaning Mubasir didn't get a chance to show off his talent, however it is clear to see how highly regarded he is with a national call up at the age of 21. He has since featured for Pakistan Shaheens as he continues to impress.

With international cricket seemingly not on the immediate horizon, Mubasir has focused on putting in strong performances domestically. He has also turned his attention to a stint in the UK in 2026 to help continue to develop his all round game in different conditions. He has been to the UK previously, with a short trip to Hull Zingari CC in the Yorkshire North Premier League in 2024. He didn't get much chance to show off his immense talent, but he now has an

opening in his diary for a season of cricket in the UK and he plans on making the most of it by putting up some big numbers for his club.

Recommended by fellow CricX client, Saad Khan, Mubasir represents one of the finest all round talents available to clubs for the 2026 season and would be an excellent signing for any club seeking a top end player. Mubasir is also an ECB Core Coach.
