Muhammad Adil is an exciting talent who has burst on to the first class scene.

A seam bowling all rounder, he bowls at good pace and swings the ball late and seems to have the perfect skill set to be a successful overseas professional.

The young quick, who is now an established professional in his homeland of Pakistan, first made his mark on the professional game in Zimbabwe. It was no surprise to see him excel, on debut he picked up 5/31 in the first innings against Mashonaland Eagles and has not looked back since. At the time of writing, Muhammad has 50 first class wickets at an average in the low 20's from just 12 matches and is on the right track to be considered for higher honours very soon. He has a first class best of 7/16 and is a genuine strike bowler who is full of effort.

If his bowling skills weren't enough, Muhammad is a more than useful batter. He is an aggressive stroke maker who has genuine match winning potential with bat in hand. On his day he could take an attack apart and could be extremely dangerous in club cricket. He has a first class best of 62 which evidences his batting potential.

Muhammad has a high ceiling as a cricketer and is one to keep an eye out for over the next few years. He would be an excellent pick for any club seeking a genuine strike bowler who can belt it around in the middle order. A potential star in the making. Muhammad also has access to accommodation in several areas of the UK should this be required.
