Start cricket from small village of southern Punjab lodhran and work hard and play first class

Muhammad Sadaqat, an exciting seamer from Punjab, Pakistan.

Sadaqat has an inspiring story, becoming the first player from Lodhran, a small village in Southern Punjab, to play professional cricket. Since then, he has gone on to represent Southern Punjab, Multan Region, Eshal Associates Department, and PTV Department across Pakistan's domestic competitions.

A passionate and driven character, Sadaqat takes pride in promoting the game and inspiring the next generation of cricketers from his region. He would relish the opportunity to be involved in his chosen club's coaching structure, sharing his experience and enthusiasm for the sport.

Highly recommended by long-term CricX clients Jalat Khan and Zubair Khan, both proven performers in UK conditions, Sadaqat is eager to follow in their footsteps and secure his first UK season in 2026.

A player with genuine potential and a hunger to succeed – we highly recommend viewing his highlights package to appreciate his skill and impact with the ball in hand.
