Nadeera Balasuriya is an accomplished all rounder from Sri Lanka.

With a skill set that fits nicely with many UK clubs requirements, Nadeera is a left handed top order batter and right arm off spinner.

Nadeera has enjoyed a consistent career to date in professional cricket and bats regularly in the top order for Police Sports Club, where his team mates include Sri Lankan internationals, Kusal Perera and Ashen Bandara. He also plays alongside CricX stablemate Priyamal Perera who recommends Nadeera as someone who will excel in the UK.

With the ball he is regularly used in all formats, particularly with the white ball. He is economical and is relied upon to bowl important overs for his team. He has a First Class best of 4/42 and List A best of 4/26 to evidence his quality with ball in hand. He is also a dynamic fielder and really takes pride in this aspect of his game.

Nadeera is also keen to add value off the pitch and would be keen to coach and generally get involved in club life all around. He is now seeking his maiden season in the UK and would be an excellent choice for any club seeking a consistent all round professional who will contribute runs, wickets and has good season availability.

Nadeera is now set for his debut season in the UK after signing with St Austell CC in the Cornwall Premier League
