Nick Stathoris is a seriously impressive right-arm fast bowler from South Australia.

Nick currently represents Woodville District Cricket Club in South Australian Premier Cricket, having previously plied his trade for Tea Tree Gully District Cricket Club in the same competition.

Operating at genuine pace, Nick possesses the ability to trouble high-quality batters through his combination of speed, bounce, accuracy and control. A natural new-ball bowler, he thrives on challenging opposition top orders and has demonstrated his ability to compete against established professionals across multiple formats of the game.

Nick's development has been underpinned by an excellent representative cricketing background. Having emerged through the South Australian pathway system, he earned selection for South Australia U15s in 2019, Cricket Australia U17s in 2019 and South Australia U19s in 2022, highlighting his standing as one of the state's promising young fast bowlers.

His progression continued in 2023, when Nick earned selection for the South Australia Second XI, providing him with valuable exposure to a higher standard of cricket and further demonstrating his potential to progress towards the professional game.

At Premier Cricket level, Nick has continued to impress with his consistency and wicket-taking ability. During the most recent campaign, he finished as the leading A Grade wicket-taker in two-day cricket, an outstanding achievement in one of Australia's strongest domestic club competitions.

Known for his competitive nature and ability to deliver important breakthroughs, Nick combines his natural pace with excellent control and a willingness to lead from the front. His performances against quality opposition underline his credentials as a genuine strike bowler capable of spearheading an attack.

Having established himself within the South Australian Premier Cricket system, Nick is now eager to embark on his first overseas campaign in the Northern Hemisphere in 2027. He is looking forward to testing himself in different conditions, further developing his craft and embracing a new challenge both on and off the field.

Due to his representative cricketing background, Nick is classified as a Pathway Player under ECB regulations and is therefore seeking opportunities outside the UK, particularly in the Netherlands and Republic of Ireland, for the 2027 European season.
