He captained New Zealand at the Under 19 World Cup in South Africa in early 2024 and is currently contracted with Wellington, underlining his standing as one of the country's most exciting emerging talents.

Having represented Wellington Under 19 for four seasons, Oscar has also been involved with Wellington A since the 2021/22 season, gaining valuable experience. A genuine all-rounder capable of influencing matches with both bat and ball, he is widely regarded as one of the most promising young players in New Zealand cricket.

Oscar came to the UK for his maiden spell as an overseas professional and made an immediate impact with Bradshaw CC in GMCL Premier 2. He enjoyed an outstanding debut season, scoring 766 runs at an average of 38.30, including a highest score of 155. With the ball, he was equally impressive, taking 49 wickets at an average of 17.08, demonstrating his ability to consistently contribute in both disciplines.

With a hugely successful first season in UK cricket now under his belt, Oscar has gained valuable experience of English conditions and league cricket. Still developing and with significant potential to fulfil, he is expected to go from strength to strength and would represent an exciting and high-quality overseas signing for the coming season.
